

# NYMAZ SEND Music Network Gathering 2016

"Excellent. Beautifully led,  
simple ideas, very effective.  
I felt I learned something  
I will remember!"  
Comment on last year's SEND  
Music Network Gathering

16 November 2016 1pm – 5pm  
Scarborough Spa, South Bay, Scarborough, YO11 2HD  
Tickets £20 (Network members £15,  
limited free student tickets available)

You're invited to join NYMAZ and Musinc for  
an inspiring afternoon of practical training,  
presentations and discussion, and to meet others  
working across the SEND and inclusive music sectors.

To book: [nymazsend2016.eventbrite.co.uk](https://nymazsend2016.eventbrite.co.uk)  
or 01904 543 382

For more info, contact [millie@nymaz.org.uk](mailto:millie@nymaz.org.uk)

**This annual Gathering brings together professionals involved or interested in music-making with children and young people with special educational needs and/or disabilities.**

We welcome music leaders, music therapists, teachers including Music Coordinators and SENCOs, Music Hub staff and peripatetic teachers, SEND specialists, music/arts organisation staff, and students. Suitable for all levels of experience.

## **PROGRAMME**

Case Study presentations

**Successful models of practice in the region**

including presentations and resources from Live Music Now and soundLINCS

Practical workshop

**Working across difference with music and SEND**

Practical ideas for creativity and inclusive music making in SEN settings – **Graham Dowdall**.

Graham has become one of the country's leading Community Music trainers in recent years. He works extensively in Special Schools and other contexts with young people and adults with Special Education Needs, PMLD, Autism and many other conditions.

Open Discussion

**Music Therapy or therapeutic music-making?**

Differences, similarities and shared learning

Panellists

**Karen Irwin** - Strategic Director SEN,  
Live Music Now

**Angela Harrison** - Lead Music Therapist,  
North Yorkshire Music Therapy Centre

**Ros Hawley** - Specialist musician, SEND  
and complex healthcare needs

Chaired by **Graham Dowdall**
